GreGo has developed a new range of products, freshly cut, tasteful salads and vegetables, ready to be consumed, consisted of a wide variety for every gastronomic requirement. The salads and vegetables are of Greek agriculture and specifically from the fertile region of Pella. The ingredients are washed multiple times, cut at the very next moment and are packed in handy packaging to retain their freshness until served on your plates.

GreGo Fresh Salads, full of vitamins, nutrients and GreGo's fresh vegetables, recently cut for a healthy cooking lifestyle!

Enjoy!
